Application Checklist	<input type="checkbox"/> Completed Application Form <input type="checkbox"/> Research Description <input type="checkbox"/> Letter of Support from BioSNTR Faculty Mentor <input type="checkbox"/> Current College Transcripts <input type="checkbox"/> Completed Lab Safety or RCR Training documentation (if applicable)
------------------------------	---

- I agree to attend and present the results of my research at the SD EPSCoR Undergraduate Research Symposium (July 30, 2019).
- I agree to complete the Responsible Conduct of Research (RCR) Training the first week
- I agree to attend Laboratory Safety Training, if required by the department and/or lab in which I am participating in research this summer.
- I would be interested in facilitating a demonstration during the August 2nd “Free First Friday” at the Washington Pavilion (students will be reimbursed for their travel).
- I would be interested in attending the Science Communication Workshop at Kansas State on March 22-24 (students will be reimbursed for their travel).
